Global Student
Conference

Finding Your In.

The IIA's Global Student Conference is an opportunity for students and educators from around the world to network with industry leaders, potential employers, and peers.

April 13-15, 2025

Global Student Conference

Disney's Yacht & Beach Club
Convention Center
Orlando, FL, USA

Global Student Conference features:

- Hands-on case study competition for students with prizes
- Interactive Internal Audit Skills learning session
- Resume building resources and review services
- A professional headshot booth
- Networking with internal audit leaders and students from around the world

In addition, representatives from Fortune 500 companies will be on-site to network, share insights, and mentor aspiring leaders, offering exclusive opportunities to connect with industry experts and explore potential career paths.

If you're an accounting, business, finance or internal audit student, or if you have a passion for the internal audit profession, immerse yourself in a dynamic, multi-day program designed to empower the next generation of internal audit leaders with the skills and insights needed for a successful career.
